

# Corridor® Unic Ultra S 707

Universal stripper

## Area of application

- Water-resistant and alkali-sensitive floor coverings
- Particularly suitable for linoleum, rubber, PVC and limestone

## Product properties

- Powerful all purpose stripper
- Excellent film and dirt-removing capacity
- Very good material compatibility
- Time saving due to short exposure time
- Easy to remove from the surface
- Even the hardest coatings are removed

## Application and dosage

- Always use cold water.
- Spread cleaning solution on the floor, let it briefly take effect, clean thoroughly, vacuum the loosened dirt, remove residues.

- Consumption: 50 - 250 ml / per m<sup>2</sup>

1 - 2,5 l /  
10 l water

500 ml /  
10 l water

- Apply fresh application solutions and consume them within 24 hours at the latest.

## Note

- Check for material and colour compatibility.
- Not suitable for asphalt or bitumen coverings.
- Before processing, turn off heat sources (underfloor heating, heating, hot supply air).
- When used in the machine, the tanks should be cleaned and rinsed regularly.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at [www.buzil.com](http://www.buzil.com).
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.
