

Vamat® Rinser N DW 45

Rinse aid, neutral

Area of application

- For use in commercial dishwashers
- Ideal for basket and conveyor dishwashers
- For soft to medium hard water
- Particularly suitable for glasses, porcelain, plastic, stainless steel, aluminium as well as cutlery

Product properties

- Universally applicable
- Excellent wetting of wash ware
- Very good run-off behaviour, thus streak-free and stain-free drying
- Brilliant shine
- Prevents limescale streaks and water stains
- Good material compatibility with plastics and metals, especially non-ferrous metals
- No odor, chlorine, NTA and phosphate free
- Low-foaming
- Highly concentrated, therefore low dosage and high economic efficiency

Application and dosage

- Dosing is carried out via automatic dosing devices depending on the amount of dirt and the water hardness.

0,05 - 0,4 ml
/ 1 l water

- Apply fresh application solutions and consume them within 24 hours at the latest.

Note

- The water hardness can be manually determined by means of water hardness test strips or retrieved from the local water supplier.
- Protect from frost.
- Avoid direct sunlight.
- Before changing the product, the containers, pipes and dosing devices must be rinsed with fresh water.
- After the dishwasher has finished operating, all screens should be cleaned.
- To dry the interior and protect against corrosion, leave the machine slightly open.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at www.buzil.com.
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.

Further information

- **Product colour:** blue
- **UFI code:** 7CW0-60KK-S00K-4DDP
- For professional use only.

Sales units

- DW45-0010RA: 1 x 10 l canister
